Basic informations

Color: Black

Specification

Hooded sweatshirt, 380 g/m². The CAMERON hooded sweatshirt is made from a modern blend of polyester, nylon, and elastane (71%, 24%, 5%) and is designed for branding, promotional use, and everyday wear. With a fabric weight of 380 g/m² and scuba material, the garment offers a structured shape and a modern jacket-like appearance, combined with a high level of comfort. The hoodie features two front pockets, elastic rib cuffs and hem, and a hood with an adjustable drawstring. The scuba fabric helps maintain shape and provides a clean silhouette. Heat-seal tape around the pockets and a reinforced neck tape under the hood enhance durability and stability. High-quality SAB zippers ensure long-lasting performance. A women's version of the model is also available.
